# REVEALS CODE SECRETS TO COMMITTEE

## METHODISTS WILL OBSERVE FAMILY NIGHT AT CHURCH

Reward Is Offered Largest Family At Revive-all Service Tonight.

SERMON ON MORAL MAN AT JUDGMENT

People Who Think They Are Good Enough Are In Danger—Hauger.

Tonight at 7:30 will be "family night" at the "Revive-all" meetings which have been in progress for the past ten days at the Methodist church.

The pastor will speak on the topic of "Home Religion," and songs of the home mother and heaven will be sung by the choir and soloist, Ray Miller.

A reward will be given tonight to the father or mother who has the largest family present, all members of which being members of the church.

"A home unanimous for Christ and the church" will be the slogan from now until Easter Sunday, April 20.

A class will be received into membership at 11 a. m. Sunday by letter and on confession of faith at the Holy Communion service. All desiring membership in the church are requested to be present.

"The Moral Man at Judgment," was Rev. Hauger's topic last evening, and he said in part speaking from text, "What lack I yet?"

"The people most in danger of being lost are those who think they are good enough. People of the Pharisee class, who say, 'I thank thee I am not as other people.'"

"I am astonished at the great number of such everywhere," who say, 'Oh I am all right I never did any harm. I do as I would be done by. I think if you live right that's enough, etc.'"

"Such folks trample the shed blood of Jesus Christ in the dust and say I have no use for the Son of God who died on Calvary. When they talk such nonsense they stain the Son of the living God in the face and crucify Him afresh."

"Jesus Christ spoke His hardest words to the Pharisees who were the good moral men of His day. Read the chapter of Woes in Matthew 23 and see how he looked upon the conceited Pharisee who strained at a gnat and swallowed a camel. This conceited morality wrecked the Jewish nation and sent it scattered throughout all the world, and he will never become a nation again."

## 6 APPLICATIONS FOR POSTMASTER

Papers Must Be Filed With Board At Washington By March 11.

Six application blanks have been secured from W. P. Davis, local civil service secretary, for the open competitive examination for postmaster at the Salem postoffice. Whether all applications have been forwarded to Washington is not known.

These applications must be properly executed and filed with the commission at Washington prior to the hour of closing next Tuesday, March 12. Davis has the papers of application should others desire to enter the contest.

Postmaster George H. Mounts' term expires May 10.

## PUPILS TO OFFER MUSICAL COMEDY

The chorus classes of the Salem High school are busy rehearsing for the play, "Miss Bob White," a musical comedy to be given Thursday and Friday evenings, March 27 and 28, under the direction of Miss Grace P. Orr, director of music in the public schools.

One hundred and fifty are taking part in the play, which is made up of three acts, containing 26 musical numbers interspersed with attractive dialogue.

## OFFICER GRABS ROBBER WHEN HE COMPLETES JOB

Cleveland, March 7.—Consummating a successful robbery of an East End restaurant today, the bandit returned to the street with \$120 cash obtained from the robbery right into the arms of Sergeant Frank L. Treason, who arrested him and took him to police station on a charge of robbery.

Scarcely five minutes had elapsed between the time that the robber took the money from the register before it was back in the hands of the owner of the restaurant.

## Blinded By Snow, 3 Lose Lives

Chicago, March 7.—The blinding snowstorm, which throughout the night and early today swirled about Chicago, hampering traffic and driving the thermometers down more than 20 degrees, claimed three lives today.

P. K. Brosnan, veteran engineer, and J. W. McMaden, yard brakeman, were almost instantly killed when, blinded by the driving snow, they stepped from a switch directly in the path of a freight train.

## HANNA BROTHERS DEFEND METERED RATES FOR TAXIS

Promise Lower Rates, Say Council Has Power To Regulate Them.

Dallas and Marion Hanna, operators of the Salem Transfer Co., in a statement Friday defend their proposals made to city council Tuesday that council pass an ordinance providing for metered taxis, requiring liability insurance and making cabs pay a city license to operate.

The transfer company, now operating a big Checker cab, will put on a new one Saturday or Sunday, a wire from the manufacturer stating that the cab would be here Saturday and will gradually replace its Ford taxis with new big cabs like the one they now have.

In return for the improved equipment the company is asking council to require that all cabs in the city have meters. At present the meter rate is 25 cents for the first one-third of a mile, and 10 cents for each additional one-third of a mile, and 25 cents for each additional passenger.

The Salem Transfer plans to lower that rate as soon as council passes the ordinance. The Hanna brothers state that they know the people will be fully protected by the ordinance because council can set minimum rates to the maximum rates if it chooses, to the same as in lighting ordinances, etc.

"We want to give the people of Salem the best service, in the finest equipment at only a fair rate of profit with a flat rate of 25 cents everywhere."

"We believe that for a fair treatment to the public and to ourselves the taxi meter should be used, because it is a proved fact that without meters the taxicab industry would not have reached its present high stage of development in the finest service in the world."

"We promise that if the ordinance is passed rates will be lowered still further than the present meter rate, and that to regular customers we will give a flat rate lower than the meter rate but they must be daily customers."

## DONAHEY WANTS STATE AUDITOR TO GIVE REPORT

Columbus, March 7.—Gov. Donahey this afternoon requested State Auditor Tracy to furnish him with a detailed statement disclosing the condition of the state treasury.

The governor's request grows out of Attorney General Crabbe's recent assertion that there is a \$22,000,000 surplus in the state treasury from which aid may be given financially stricken schools in imminent danger of having to close throughout Ohio.

The governor has denied the accuracy of Crabbe's assertion although Auditor Tracy backed up the attorney general in this matter.

## PAINTERS DONATE \$20 TO VETERANS

The fund for replacing equipment lost by Allen Reynolds post, Veterans of Foreign Wars, in the recent big fire here, is still growing. The Painters local Thursday evening voted to give the post \$20.

## Love For Her Pipe Causes Fatal Burns

Troy, Ohio, March 7.—Death of Mrs. Sophia Cavanaugh, 87, whose burned body was found lying on a couch at Alcony, near here, late yesterday, today was attributed to the aged woman's love for the pipe.

Her two sons, who found the body, said their mother was in the habit of smoking while lying down and it is believed that a spark from the pipe ignited her clothing and the couch.

## Paymaster Is Shot, Bandits Get \$500

Philadelphia, March 7.—The first payroll holdup of the Gen. Butler regiments occurred today when three auto bandits held up John H. Wiley, 35, of Wilmington, Del., paymaster for a local yarn manufacturing concern, shot him twice and escaped with \$500 in cash.

Wiley is in a hospital in a critical condition with wounds in the abdomen and neck.

## 22 BOYS ESCAPE WHEN HOME BURNS

Went O. H. March 7.—Twenty-two boys at Boys' Opportunity farm, near here today fled from the burning administration building and aided firemen in keeping the flames from reaching other buildings.

The administration building was destroyed with a loss of \$5,000.

## SERAN BLAMES KOPP FOR SCHOOL TROUBLE

Greenford School Head Declares Foolish Charges Against Insults Brought Resignations; Bible Had Been Read For Three Years, He Says.

"Any red-blooded American teacher would have done the same that we did under the circumstances,"

That was the comment of H. C. Seran, whose resignation as superintendent of the Greenford schools caused such a furore in the community, when interviewed in Salem Thursday afternoon.

"My resignation was not over the reading of the Bible in the schools," explained Seran. "It came as the result of some charges that Kopp (member of the school board and leader in the controversy made Monday) had brought against me."

Asked to explain what charges Kopp had brought against the superintendent and teachers, Seran declared the school board member had charged there was no fire drill, no assembly, no Bible reading, "and other charges as foolish and as groundless."

## ONE MAN PERISHES AS FIRE DESTROYS OHIO GLASS PLANT

Fire Spreads To Dwellings, Million Dollars Damage Entailed.

Lancaster, March 7.—One man is believed to have lost his life, another was badly burned and damage of \$1,000,000 entailed by fire that destroyed the Hocking Glass plant here early today.

Merrill Deaver, 24, foreman, who last seen when the fire broke out in a tumbler room. A search of the ruins for his supposed body is impossible, owing to terrific heat of the smoldering mass.

William Fisher, one of the 250 men at work on the night shift, was badly burned.

Origin of the fire has not been determined. Firemen from Columbus aided in combating the flames. After a hard four hour fight, the blaze was under control.

Burning embers, carried by high winds which fanned the flames into a furious, roaring furnace, set fire to a dozen dwellings in the neighborhood but bucket brigades saved them from destruction.

Six hundred men will be out of employment as a result of the fire.

## CRABBE DEFENDS RULING AGAINST CARD DEPUTIES

Columbus, March 7.—"I am not in favor of breaking one law to enforce another and I'm not afraid to say so," Attorney General Crabbe declared, defending his recent ruling outlawing "card" deputies of the state prohibition department.

He attorney general said he had been criticised bitterly by those opposed to his action and that he had been accused of betraying the organization that elected him.

"I have taken oath to enforce the laws, but I have given no oath to any organization to enforce one law at the expense of another," Crabbe declared.

## Elks Lodge Names Officers For 1924: Special Program Next Week.

Harry Ernest will be the next exalted ruler of Salem lodge No. 305, B. P. O. Elks.

Ernest, a former secretary of the lodge, was elected Thursday night to succeed Harvey Flanagan, whose term expires the first of April. Other officers elected are:

Estimated leading knight Jess Dellenbaugh, esteemed loyal knight, J. N. Kyle, esteemed lecturing knight, Paul Mead; secretary, R. L. Jones; treasurer, A. R. Stark; Tyler, William Pidgeon; trustee, C. E. Phillips.

Announcement was made that the social committee has prepared a special entertainment for members next Thursday night. Following the business session a lunch was served.

## COLLINGS HEADS FOUND GUILTY OF MISUSING MAILS

Benham And Harrison Face Maximum Imprisonment Of 55 Years.

Columbus, March 7.—Found guilty of misusing the mails in connection with stock sales, William G. Benham and Dwight Harrison, former president and vice president, respectively, of the defunct R. L. Collings company, of Ohio, each today face a possible maximum imprisonment of 55 years in a federal prison and an aggregate of \$55,000 in fines.

The verdict of guilty was handed down late Thursday by the federal court here.

The jury deliberated two hours and 20 minutes, voting only one ballot. Attorneys Cornelius J. Mattern and Robert R. Nevin, Dayton, representing the defendants, immediately moved for a new trial.

The motion will be heard at 2 p. m. Monday by Federal Judge Sater, who presided over the trial since it began Jan.

Eleven counts were found true against the defendants by the jury. On each count a maximum term of five years and a maximum fine of \$5,000 may be imposed.

In his charge to the jury Judge Sater called attention to alleged frauds, totalling \$4,000,000, inflicted upon Ohioans who purchased stock in the Collings company and its subsidiaries.

Harrison is also under sentence of three years in the penitentiary and was fined \$5,000, following his conviction in common pleas court here some weeks ago of misrepresentation in connection with stock sales.

## Baxter Will Sneak At Thank Offering Service March 23d

The annual Thank Offering service of the Woman's Foreign Missionary society of the M. E. church will be held Sunday evening, March 23, when Pres. Bruce Baxter, of Mt. Union college will give the address.

Plans were considered at a meeting of the society Thursday afternoon at church.

Miss Laura Schilling was in charge of a very interesting program on "Africa."

Some of the husbands and families of the members joined them for a covered dish supper at the church and then attended the Revive All service at this church.

## Fawcett To Enter Business In South: Quits Hardware Co.

R. F. Fawcett who has been with the Salem Hardware Co. for 21 years, and at present is manager and secretary, will resign his position to be effective about May 1.

Mr. Fawcett with his family will move to Asheville, N. C., where Mr. Fawcett expects to be associated in the hardware business with his brother, E. C. Fawcett, who was formerly of this city.

## Buys Property For Gasoline Warehouse

The Arrow Gasoline Co. has purchased from Harry Warner the property adjoining its filling station on the Lisbon road and plan to make extensive improvements. The house on the property will be converted to a warehouse. The transfer was made through the Kennedy-McKinley agency.

## Klansmen Of County To Meet In Lisbon

J. H. Hawkins, a national speaker for the Ku Klux Klan, will address a meeting of the organization in Lisbon Friday night, which is intended to be a county gathering. The meeting will be held in the Kollaway rink at South Market st.

## Code Business Is News To Him

Washington, March 7.—Senator Charles Curtis, Republican, Kansas, informs international news service today that if he was "the principal" referred to in the famous code message that appraised E. B. McLean there would be "no rocking the boat and no resignations" on account of the oil investigation.

"I do not understand why any code name should be applied to me," Senator Curtis said.

## SCHOOL DEBATE MEET RAYEN TEAM IN SALEM TONIGHT

Uphold World Court Issue; Negative Team Goes To Youngstown.

The question of whether the United States should enter the world court as proposed by the late President Harding, will be discussed in open forum at the High School auditorium Friday night when the varsity debating teams of Salem and Youngstown Rayen High schools meet at 8 p. m.

This question, one of the foremost of the day, may soon be brought up in congress. For this reason L. T. Drennon, public speaking instructor at Salem High and coach of the debaters, states that the public should be especially interested in the debate.

All phases of the question will be taken up and debated on the platform by the affirmative team of Salem High and the negative team of Rayen.

While the negative team is meeting Rayen at Youngstown at the same time on the same question, the affirmative team hopes to win before their own school and Salem by proving that the United States should become a member of the court of international justice.

The affirmative team here will be composed of Clara Patton first speaker; Thurlb Thomas, second; Willa Mae Cone, third; Ralph Kircher, alternate.

W. F. Church, member of the Salem board of education will be the chairman. E. P. Stonebraker, superintendent of the Leontia schools, R. W. Vaughn, principal at Alliance High and J. L. Gray, assistant county superintendent of schools, will be the judges. The first speaker will start at 8 p. m. sharp.

Members of the negative team to debate at Rayen are Julia Patton, first speaker; Lozier Caplan, second; Edward Heck, third; Cecilia Shriver, alternate.

## "BUDDY" POPPIES TO BE SOLD TO HELP DISABLED

Poppies made by disabled ex-service men in the different government hospitals in Cleveland, Pittsburgh, Dayton and Cincinnati, will be sold in Salem in the near future by members of Allen Reynolds post, Veterans of Foreign Wars.

These poppies are sold annually for the benefit of the men who make them, former soldiers incapacitated in some way, and half of the money derived will be used to help maintain the widows and orphans' homes, such as the veterans' home at Xenia.

A part of the fund will be used this year to pay for decorations of graves of dead soldiers and especially the graves of the men who died overseas.

The local post will not receive any part of the money, it is said by officers of the post. The poppy will be known as the "buddy poppy." Dates of their sale will be announced later.

## REQUESTS RULING ON GAME DEPUTIES

Governor Says Ruling By Crabbe May Eliminate These Officers.

Columbus, March 7.—Fish and game deputies, operating for years under the "card system," obtaining their compensation by percentage of fines imposed on offenders they catch may be doomed for dismissal also as were 107 prohibition department "card men" this week, if Atty. Gen. Crabbe rules that their activities are illegal.

He is expected to render an opinion today or Saturday on request of Gov. Donahey.

The governor asked the attorney general late Thursday whether there is "any authority for the appointment of non-salaried fish and game protectors for the state." Gov. Donahey also inquired whether their methods of compensation by receiving part of the fines collected, is lawful.

He seemed disposed to dispense with the services of such deputies if an opinion in the affirmative is rendered by the attorney general.

## REVEALATION CREATES DISTINCT SURPRISE; EXONERATES PRES. COOLIDGE

Revelation Creates Distinct Surprise; Exonerates Pres. Coolidge.

Washington, March 7.—Plunging ahead in their efforts to solve the secrets contained in the many code messages that passed in and out of Washington between the prominent figures in the oil scandal, the senate public lands committee today discovered that "apples" meant Ex-Secretary of the Interior A. H. Fall, that "WYFCE" meant Attorney General Harry M. Daugherty, and that "the principal" referred to Senator Curtis, Republican, of Kansas.

These secrets were learned from Ira E. Bennett, chief editorial writer on the Washington Post, which is McLean's paper, during the course of a severe grilling on the witness stand following the introduction of more of the famous telegrams. Bennett was author of many of these messages.

Revelation Is Surprise. The revelation concerning the identity of "the principal" created a distinct surprise, as Senator Heflin, Democrat, of Alabama, charged on the floor of the senate that "the principal" was President Coolidge himself. Bennett carefully explained that the "rocking the boat" expression was his own and did not apply to the "principal."

"That's quite a well known message," said Bennett. "The second part had nothing to do with the first part. The 'rocking the boat' part and the 'no resignations' part had nothing to do with the 'principal'."

"It was my own opinion gathered as a correspondent around the White House," said Bennett. "It has no connection with Senator Curtis."

The oil investigation committee was advised today by Alice Pomerehne and Owen J. Roberts special government counsel that it could not use telegrams exchanged by Albert B. Fall with his lawyers as evidence in the present inquiry. The opinion was given after Fall protested against the use of any telegrams he had either sent or received from his attorneys. The government counsel upheld Fall's claim that such telegrams were "privileged under the law" and confidential in character.

Walsh Reads Opinion. The opinion was read this morning by Senator Walsh. At his request, the committee adopted a motion instructing the telegraph companies to withhold all telegrams between Fall and his lawyers.

"The committee has endeavored to confine testimony to what is material to the subject of this inquiry," Walsh said. "Some times immaterial matters have been introduced as happens in nearly any trial."

"The rule that privileged communications cannot be introduced as evidence in court applies with equal force to an investigating committee of either branch of congress," was the counsel's opinion.

Senator Walsh then began reading a new batch of messages in the record.

On Dec. 28, McLean wired A. Mitchell Palmer, former attorney general that "I feel would be a mistake to give out any statement on my behalf. Of course will be guided by McAdoo and you."

Today what the other papers reach in Salem print the next morning. Latest news available in The News homes daily.

## SENATOR CURTIS IS "PRINCIPAL" IN CODE MESSAGES

SECRET BARED BY McLEAN'S EMPLOYE

Fall Messages To Lawyers Bared From Committee Probe.

## Nonsense

OF all the utter nonsense with which this country is burdened none has approached thus far the verbal flits between the "wets" and the "drys." For the sake of diversion the latter have referred to the former as "Scofflaws," and the "wets" have come back with the terrible "Spigot-Bigot." Can you imagine anyone being insulted by having either term applied to him? Like as not it would throw the average man into convulsions of laughter.

While there may be no harm done in the application of these nonsensical terms they indicate in a measure to what lengths both sides will go in an effort to become abusive and still not become vulgar. With so much needing attention in America, it would seem that we could dispense for the time being at least of both "Scofflaw" and "Spigot-Bigot," and still manage to get along fairly well as a country. The outstanding trouble in this country is this: some one or some group is always trying to heap ridicule upon those who disagree with them. The fight grows more furious as the days pass and the first thing you know a perfectly decent man is called a "scofflaw" or a "spigot-bigot." Then his whole life is ruined. The sun goes down behind the cloud. His business career is at an end. To think that one might be a "scofflaw" or a "spigot-bigot" and live down this terrible indictment is enough to give us pause.

It would be better for us to cut out this absurd comedy and get down to business in America before it is too late. The subject of "scofflaws" and "spigot-bigots" can wait for a more opportune time.

**Petty Political Tricks**  
HIRAM JOHNSON has a just grievance for once. Republican opponents of his candidacy before the Michigan primary are said to have unearthed an inconspicuous citizen named Hiram Johnston and placed his name on the ballot. If this is true, the object of course is merely to confuse voters who favor Senator Johnson's nomination and to split this vote.

A similar trick was twice tried in Ohio when Harvey C. Smith, former secretary of state and candidate for higher honors, was running and his opponents entered Harry C. Smith, a colored politician of Cleveland, ostensibly to contest with him but really to befuddle people and reduce Harvey Smith's total vote.

These petty tricks of the practical politicians are disgusting to all right-minded citizens, whether their side stands to gain or lose by them. The one rightful object of a primary or a regular election is to obtain a clear expression of the voters' preferences. But the practical politician thing it is to win, if possible, at any cost, by fair means or foul.

## Springtime!

SPRING is a glorious season. Indications on every hand show that spring will soon be with us. With the passing of February—and goodness knows we have no complaint about this year's February offering, even with an extra day—we get a feeling of spring in our blood that makes the world brighter and better to us. This same feeling is expressed in all living things as well as in man—in beasts, birds, flowers, trees; indeed, in all nature.

Spring—ah, it is a wonderful season! There is a charm about spring after we have been clutched in old Winter's icy grip for months that beggars description.

Spring—spring—spring! Give us springtime in allopathic doses of sunshine.

It may be that the Princeton professor is correct in saying loyalty is the most important word in the language, but the word that keeps one out of the most trouble is No.

Medical men explode the theory that paper money harbors germs. It would take a shrewd microbe nowadays to live long on a dollar.

## Officials Will Visit Homes Of The Blind

The board of county commissioners will this year make personal investigation of the budget blind now receiving aid from the county. When this investigation was conducted before the commissioners but this year it is likely that the members of the board will visit the homes of those afflicted and note surrounding conditions.

It has been considered a hardship on the part of the blind to have them brought into Lisbon, hence the proposal of the commissioners to visit the several homes.

The late customer shook his portrait in the photographer's face. "Do I look like this picture? The thing's an outrage! Why, you've given me an awful squint—and the look of a prize-fighting bully! Now, answer me, and no nonsense about it! Do you call that a good likeness?"

The photographer scanned the print, then looked at the customer. "The answer," he said, "is in the negative." And the customer went away with a look of deep thought on his face.

## REGIONAL SCOUT EXECUTIVE GIVES TALK TO LEADERS

C. E. Carmack Demonstrates Patrol Method Of Conducting Meeting.

C. E. Carmack of Cincinnati, regional executive of the Boy Scouts of America, Thursday here in conference with the executive of the Northern Ohio Council, with regard to the work of the council.

That evening he attended a session of the Scout leaders training course at the Chamber of Commerce rooms, which is under the direction of Scout Executive Chamberlain, and gave a practical demonstration of the patrol method of conducting a Scout meeting.

In this method the patrol leader presides on the meeting, including the business, instruction and games, with the Scoutmaster a silent attendant, although just before the meeting he confers with the patrol leader.

A small Scout meeting was conducted by Mr. Chamberlain and for this he was selected from Troops 1 and 2, with R. R. Miller, acting Scoutmaster, and these officers: Patrol leader, James Grafton, Sr.; secretary, William Baker; treasurer, Harold Shupe. This patrol group gave a demonstration of a model meeting going through both the business part and games.

Mrs. Pauline Tweeddale, instructor at the Salem City hospital training school for nurses, and two assistants, Miss Mary Gatz and Miss Clara Leibschner gave a practical demonstration in first aid work, using the triangle and roller bandage and giving 20 to 25 minutes of bandaging injuries on most every part of the body.

The attendance at this session was the largest of any so far in the course. The class will meet again March 13. This course is free and open to Scout leaders or any others interested in boys.

## DELIGHTFUL SHOW IS 'LISTEN TO ME'

Sparkling comedy, fine costuming, clever acting and tuneful music combined to produce one of the best musical comedies of the local season at the Grand Thursday night when "Listen To Me," a fantastic, laughable comedy of dramatics, was presented before a large house.

The songs were above the average, and ably sung by the entire cast. Clean costumes, elaborate scenery and splendid electrical effects were noteworthy of mention. And as to footwork, it was a real dancing show, and much appreciated.

Joe McGee and Gates Austin, black-face and burlesque comedians, were the life of the show. Peggy Earle displayed a line of dancing not often seen in a show here and she could sing. Marguerite Williams, Valerie True, Ross Robertson and Edward Walker were also fine leads.

## Reduction Is Noted In State Tax Rate

Columbus, March 7.—A reduction of 69 cents in the average per capita tax rate in Ohio was noted in a report issued by the state tax commission.

The 1932 rate was \$40.98 per capita compared with \$41.67 in 1931. Direct tax levies were abolished, causing the decrease, it was explained.

Schools received \$105,752,665.29 of the total tax of \$232,816,355.39 assessed last year.

## SAFE FAT REDUCTION

Reduce, reduce, reduce, is the slogan of all fat people. Get thin, be slim is the cry of fashion and society. And the overfat wrings their hands in mortification and helplessness; revolting at nauseating drugs, afraid of violent exercise, dreading the unwelcome and unsatisfying diet, until they hit upon the harmless Marmola Prescription and learn through it that they may safely reduce steadily and easily without one change in their mode of life, but harmlessly, secretly and quickly reaching their ideal of figure, with a smoother skin, better appetite and health than they have ever known. And now comes Marmola Prescription Tablets from the same famous harmless formula as the Marmola Prescription. It behooves you to learn the satisfactory, beneficial effects of this great, safe, fat reducer by giving to your druggist one dollar for a box, or sending a like amount to the Marmola Company, 4612 Woodward Avenue, Detroit, Mich., with a request that they mail to you a box of Marmola Prescription Tablets.

## RURAL SCHOOLS WILL GET FUNDS

Hanover Township Is Given Nearly Fourth Of The Total Of \$4,768.

A total of \$4,768.26 will be distributed by County Auditor Charles E. Hamilton to the several schools districts of the county in the regular course of school distribution funds, the amount having been received from the sale of and interest on funds obtained from the sale of school lands throughout the state.

An additional amount, totaling \$455.91 has been received from Carroll county to be applied to the school funds of Franklin, Wayne township and Summitville schools which are attended by children from Carroll county.

The amount due this county from Mahoning county has not been received, but it will be applied later to the school funds in Perry township and Salem, city, where children from Mahoning county attend school.

The largest amount has been applied to the Hanover township schools, this being \$1,949.57.

Distribution from this fund has been made to other school districts as follows:

East Liverpool school district \$71.87; St. Clair township school district \$125.83; Middleton township \$234.47; Unity township \$219.54; Yellow Creek township \$171.35; Madison township \$297.43; Fairfield township \$278.51; Washington township \$517.06; Wayne township \$113.46; Center township \$265.51; Salem

township \$190.51; Hanover township \$709.57; Bales township \$180.64; West township \$455.47; Knox township \$465.51.

A similar amount of money was received from the state last year from the "Section 16" fund, but so far no appropriation has been made for the 1932 township schools.

The receipt of these several amounts will prove of considerable assistance to some of the rural school districts. It has been pointed out, but the money will not be parceled out except through the channel of regular distribution.

## NEWS IN BRIEF

Steubenville.—Members of the W. C. T. U. have requested the city council to pass a curfew law which would require all persons under 16 to be off the streets at 9 o'clock.

Delphi.—A conference of Mohammedans from all parts of the world will be held soon, probably in Egypt, with a view to the restoration of the caliphate in Turkey.

## TANLAC MET EVERY TEST SAYS MRS. HURSELL

Was Languid And So Tired Due To Indigestion Days Work Looked Like Mountain Says Evanston Lady.

"I don't know anything I can get more enthusiastic about than Tanlac," says Mrs. E. P. Harrell, 2712 Asbury St., Evanston, Ill., who recently moved here from Chicago.

"Tanlac has been such a great help to me that I don't see how I could have gotten along without it. Before taking it I had no strength. I felt

languid and tired and got up mornings feeling so badly that the cat's head looked like mountains to me. My troubles were due to indigestion, for I knew nothing but distress after eating.

"I now have a wonderful appetite, perfect digestion and splendid health, with energy and strength that makes life a pleasure. Tanlac is such a grand good medicine that everybody should know about it."

Tanlac is for sale by a good druggist. Accept no substitute. Over 40 million bottles sold.

Mrs. W. S. Garrett and mother, Mrs. White of Colerain; Mrs. A. H. Stratton, Mrs. Adda Gilbert, Mrs. Ella Steer, Mrs. J. W. Pearce.

The hours were devoted to sewing for Mrs. Steer's daughter, Miss Elizabeth, who on March 17 will enter the Salem City hospital training school for nurses. A covered dish dinner was a pleasure.

**Jennings Avenue Club**  
 With a potted plant an attractive centerpiece on the table Mrs. Frank Matthews entertained at a 1 o'clock luncheon Thursday at her home, Jennings ave., at which her associates of the Jennings Avenue club were guests. Fancywork claimed attention while the guests visited. Mrs. Cecil Chessman and Mrs. Dunn were invited guests. Mrs. Henry Maeder, Cleveland ave., will be hostess at a meeting the first Thursday in April.

**Marriage Licenses**  
 A marriage license was issued Thursday to Fred Sutherland and Miss Edna Cartwright, both of East Palestine. They were married at the parsonage of the Lisbon Methodist Episcopal church by the Rev. W. E. Tilton.

**Delmar Ward of Wellsville and Miss Marian Crevier of East Liverpool** were granted a license by Judge Lodge Riddle Thursday afternoon, and were married by a justice of the peace.

**Society Elects Officers**  
 Following a covered dish luncheon at 1 o'clock Thursday enjoyed by members of the Ladies' Aid society of the Presbyterian church at the church these officers were chosen to serve for one year:

President, Miss May Lowry; first vice president, Mrs. Frank Nowell; second vice president, Mrs. B. T. Myers; secretary, Mrs. D. U. Smith; treasurer, Mrs. Ida Bedell.

**Lincoln Club**  
 Mrs. McKinnon Miss Beatrice Her and Mrs. Ray Harroff were welcomed as visitors at a gathering of Lincoln club associates at which Mrs. L. B. Bennett was hostess Thursday afternoon at her home, Franklin ave. The time was occupied with visiting and a lunch was served. The members probably will meet again in two weeks.

**Miss Smith Hostess**  
 Honoring Mrs. Boyd S. Bval, Memphis, Tenn., and Mrs. Carl Wallace, Detroit, Mich., who are visiting here, Miss Freda Smith entertained a few friends at her home, Jennings ave., Thursday evening. The hours were spent in playing bridge at which Mrs. James Hill was awarded first prize and Mrs. Bval the consolation honors.

**Martha Washington Club**  
 With Mrs. William Potts hostess a pleasant meeting of the Martha Washington club was held Thursday afternoon at her home, Jennings ave. Needlework was a favorite diversion and a lunch was served. In two weeks Mrs. Samuel West, North Union st., will entertain the members.

**Gold Star Auxiliary**  
 Three candidates were initiated at a meeting of Gold Star auxiliary Thursday evening at the home of Mrs. Rhodes, North Howard st.

Plans were completed for a bake sale Saturday at the Burns hardware store. The next meeting of the auxiliary will be in two weeks at the Rhodes home.

**Needlecraft Club**  
 Assembling at the home of Mrs. Jesse Mangus, North Union st., Thursday afternoon, associates of the Needlecraft club were interested in new work with a lunch adding pleasure. Mrs. J. M. Hutcherson, East High st., will be hostess at a meeting in two weeks.

**Haus Frau Club**  
 Fancywork was a diversion and a lunch was served when Haus Frau club members met Thursday afternoon with Mrs. John Sechey, Franklin ave. At a meeting in one month Mrs. John Theiss, West Eighth st., will entertain.

**Kennet Club**  
 Kennet club associates were guests at an all-day outing Thursday at the home of Miss Ella Gabriel, Damascus rd. A dinner was served by the hostess. A meeting in two weeks will be with Mrs. Wilbur Hiddleston, Jennings ave.

Mrs. Grace Welcott, who underwent an operation at the Central Clinic hospital two weeks ago is convalescing at the home of her sister Mrs. Horsman.

Mrs. Phyllis Meilinger has gone to Youngstown where she will visit a few days at the home of Mrs. Andy Smith.

Samuel Colvill, who has been critically ill for the last five weeks is reported to be improving slowly.

Miss Virginia White, who is recovering at the Oriental Co. store, is ill at home.

Harold Hortsman, McKinley ave., who has been ill for the last four weeks, is improving.

**Attend Dance at Lisbon**  
 Fifteen couples from Salem attended the dance at Lisbon Thursday night which was given by a group of people who are organizing a new orchestra. At this time each person was given the privilege to suggest a name for the orchestra and at a dance to be given in two weeks the winner will be announced.

**Birthday Party**  
 In honor of the third birthday anniversary of her little daughter Janice, Mrs. J. C. Greenstein entertained about ten little friends at their home, Roosevelt ave., Thursday afternoon. Games helped to make the afternoon a merry one. The color tones and favors in the lunch were in keeping with St. Patrick's day.

Miss Belle Woods has been called to Gary, Ind., by the critical illness of her niece, Mrs. C. Hawkins, who was before her marriage Miss Belle Hall. Late reports are that her condition is a little improved. Mrs. Hawkins is known in Salem.

## GOSSIP LINKS TWO NAMES WITH BRIBE

**Congressmen Issue Public Statement, Deny All Wrong Doing.**

Washington, March 7.—The capital's newest scandal, in which a Chicago grand jury charged two members of congress with accepting bribes, today awaited action by the department of justice on a house resolution demanding publication of the names of the accused congressmen.

Gossip in capital cloak rooms linked the names of Representative John W. Langley, Republican, of Kentucky, and Representative Frederick N. Zihlman, Republican, of Maryland, with the case so insistently that both members issued public statements denying all wrong doing.

The situation was unique in congressional history. Neither member stood charged with any crime but confidential reports, attributed to a "leak" in the department of justice, gave their names such repeated circulation that, acting independently, the two congressmen finally moved to end the gossip.

"Until I know what accusations have been made against me," said Zihlman, "I do not desire to answer them. Meanwhile no one ought to pass judgment on me. I do not know of having committed any wrong and I am willing for any kind of an inquiry." Langley said his name was being mentioned by colleagues in connection with the grand jury report.

"I know of no reason for the circulation of this report," Langley added. "I am guilty of no wrongful acts. When specific charges are made, if any should be I will make a full reply to them. Until then I can merely await developments."

## RULES SCHOOLS CANNOT BORROW OPERATING FUND

Columbus, March 7.—Schools cannot borrow money with which to meet operating expenses nor can they participate in the state educational equalization fund until after an additional three-mill tax levy has been made, the state supreme court ruled this afternoon.

The ruling was announced in connection with the court's decision in the cases of the state of relation of State Education Director Reigel vs. Charles E. Elchior, member of the Montgomery county board of education and the state on relation of Charles P. Perkins, a Miami county taxpayer, versus members of the Miami school board, state Education Director Reigel and the Miami county auditor.

## Indict Sheriff For Taking Booze Money

Danville, Ill., March 7.—Sheriff George T. Galligan, of Williamson county, some of recent disorders, will be arraigned Monday in federal court here, as the result of his indictment here by the federal grand jury on a charge of conspiracy in accepting "protection" money from bootleggers.

## President Of China Is Dead Say Rumors

Shanghai, March 7.—Persistent rumors were in circulation here today that President Tsao Kun is dead. However, the reports are so far unconfirmed.

It is known that he has been seriously suffering from Bright's disease. He has been reported dead by Chinese sources several times previously.

## DAUGHERTY BACK, MEETS CABINET

Washington, March 7.—Attorney General Harry M. Daugherty returned to Washington today from a week's absence apparently determined to give battle to those who seek to compel his retirement from the cabinet.

The attorney general arrived from Miami shortly after 10 o'clock motorcade directly from the Union station to attend a cabinet meeting at the White House.

Renewed pressure of the heaviest sort has been brought to bear on President Coolidge during Daugherty's absence for the president to demand his retirement from the government. The attorney general had little to say this morning, but it was evident that he was still as determined as ever not to be forced out of the cabinet until he had his "day in court" at the hands of the special senate committee appointed to investigate his administration of the department of justice.

## EXPERTS APPRAISE PUBLIC UTILITIES

**County Auditor Will Check Records Of The State And County.**

During the forthcoming re-appraisal of property and real estate in Columbiana county, the holdings of the various public utilities of the county will be furnished County Auditor Charles E. Hamilton by the state tax commission. Mr. Hamilton has just been informed of this intent of the commission through the receipt of a letter from that office.

After these state records have been checked with the records of the county, the commission will be informed of

additions or omissions from local records, so that the records of both offices will agree.

In appraising properties and values of the various public utilities, experts will be brought into the county for this purpose. It has been pointed out that true values of such properties are best obtainable by the employment of experts rather than to have the work done by local assessors, who are not acquainted with values of such interests.

The actual field work connected with the re-appraisal will not begin before April. A mass of preliminary clerical work is now being completed for use in the field.

# BLAST INJURES SEVEN STUDENTS AND 2 TEACHERS

## Gunpowder Ignited During Test In Ohio School Laboratory.

Toronto, March 7.—An explosion of a three pound sack of gunpowder, ignited during an electrical test in the Toronto High school, yesterday afternoon, resulted in the injury of seven students and two instructors. Brayton Eddy, 17, a senior, is in serious condition. Physicians say he inhaled some of the flames and fear that he will not recover is expressed. Prof. Harold M. Rich, 32, chemistry teacher and athletic instructor, suffered severe burns on the head, face and neck. Miss Esther Jones, 16, student, also was seriously injured when her clothing and hair became ignited.

Principal S. A. Grill who, was in the room at the time, suffered severe burns about the head and hands while Miss Thurnia Todd and Gladden Warren received bad burns about the face and hands. Four of the victims were unconscious when found.

All were removed to their homes. The blast wrecked the laboratory, situated on the third floor of the building, and caused confusion among the several hundred students. Teachers experiencing difficulty in calming them and school was dismissed for the day.

According to the story told, police by school authorities, Rich was making a test to determine how far an electric spark would jump and explode a small quantity of gunpowder on a brick when a spark from the minor explosion set off the sack of gunpowder on a nearby table.

# METHODISTS WILL OBSERVE

Continued from First page  
a nation again until he accepts Jesus Christ as Lord and master.

**What God Thinks**  
"Whether men are lost or saved will not depend on their good or bad opinion of themselves, but upon what God thinks about them as to the way they have treated His own beloved Son, Jesus Christ. God looks upon the heart motive.

"If God thought the ten commandments sufficient to enable man to pass muster at the judgment why did He send His only begotten son to die on the cross?

"What will the moral man's answer to God be at judgment as he looks into the face of Jesus Christ and hears him say 'Thou hast as yet said it not into one of the least of these, ye did it not unto me.'

"The one thing that the moral man lacks is the spirit of self-denial and a sacrifice which comes through surrendering the life to Jesus Christ. This spirit of self-sacrifice and self-denial form the mainspring of life and is the only thing that will stand the light of judgment. It was the one thing the rich young ruler lacked who went away sorrowful.

"Many moral lives are beautiful to look at and such persons have been walking toward the goal Jesus Christ has set up for a lifetime but it is possible to stop short and miss it at last.

"Jesus loved the young man and longed to see him deny himself and taken up his cross and follow Him, but he went away sorrowful for he had great possessions. What saddened Jesus most about the young man was that he knew better than he was willing to live.

"This will be the condemnation of the moral man at judgment."

## REFUSES AID FOR ALLIANCE SCHOOLS

Donahey Says More Economy Should Be Practiced At Alliance.

Columbus, March 7.—Gov. Donahey sees no need of state aid in the operation of schools at Alliance according to a letter transmitted today to B. E. Stanton, school superintendent, and D. W. Crist, president of the school board.

The governor's assertion is predicted on a report made by C. R. Uery, high school supervisor, to Vernon M. Reed, state director of education, after an investigation of the Alliance school situation.

The report discloses, according to the governor, that the schools there can be operated very satisfactorily on the present funds and have a surplus of nearly \$25,000 in the treasury. The chief executive suggests that in making up the budget for next year, some of the reductions suggested by the state department be made in order to bring the cost of the schools within the income of the school board.

"The state is in no way responsible for the deficiency you face," the governor said, "and should not be called on to make up the deficit. Such action on the part of the state would merely serve as an encouragement to other boards of education to proceed with extravagant programs costing in excess of revenues available."

By the elimination of supervisors and other means of cutting down expense, Uery suggests that the Alliance board of education can avert a financial deficit next year.

## LEETONIA NEWS

The bridge and five hundred card party Thursday night given at the Masonic hall given by the Leetonia chapter, No. 253 O. E. S., from 8 to 12 o'clock was a most delightful event.

Willis Peet gave a party Thursday evening to a group of his young associates at the home of his parents, Mr. and Mrs. Walter Peet. The evening was spent with music, games and contests, the pleasures concluding with a lunch served by the mother of the young host.

Mr. and Mrs. Dan Doonan have gone to Cleveland to make their future home.

In the recent organization of the

**Women**  
to attract must  
**Radiate Health!**

BEAUTY is the magnet which draws all eyes and back of beauty—Health—working silently—Red blood tingling through the veins;—the glow of youth in the cheeks;—the spring of earnestness, of vim, of life in the walk;—the ever graceful air unrestrained by care or worry—All the charms of beauty. All the works of health.

Men are fascinated by the charms of beauty. Women gaze with envy, secretly jealous, perhaps—wondering—hoping—praying for that attractiveness that is not theirs.

But why the wondering—the hoping—the praying for that craved-for attractiveness—that beauty. Good looks is the barometer of one's condition. Good health radiates beauty. S. S. S. purifies the blood—creates red blood cells—rids the system of impurities which make beauty and attractiveness impossible. As women to attract must radiate health so must they keep their systems free from impurities and their red blood cells ever increasing. S. S. S. does both.

S. S. S., since 1826, has been ridding the system of impurities—pimples, blackheads, boils, eczema and rheumatism—building red blood cells—aiding women to be attractive by radiating health. S. S. S. is made of carefully selected herbs and barks, scientifically prepared and properly bottled. All good drug stores carry S. S. S. It is more economical to purchase the large size bottle.

## COURT NEWS

**Given a Divorce**  
Flora Hammond was granted a divorce from her husband Mike Hammond by Judge James G. Moore in common pleas court Thursday on grounds of gross neglect and extreme cruelty. The couple were married at Aliquippa, Pa., April 20, 1926. Hammond is said to be in Cleveland, and did not contest the action. The plaintiff is under the age of 21 years, the petition discloses.

**Salem Case Appealed**  
A. L. Murphy of No. 20 Walnut st. Salem, who sued in the court of Justice of the Peace Curtis Votaw of Perry township for \$240.70 damages as a result of an auto collision with a machine, occupied by A. A. and Grace Henderson of Salem has appealed to common pleas court.

The lower court rendered judgment for contributory negligence and the costs divided between the plaintiff and defendant, the opinion of the lower court being handed down Feb. 15.

**Common Pleas Entries**  
In common pleas court Thursday Judge James G. Moore, in the action brought by Lillian Beech against Laurence Bailey, entered an order that the former entry in this case be dismissed and stricken out, and that the action be reinstated on the docket. Leave has also been granted the plaintiff to file an amended petition.

In the case of C. C. McCowan against Mary Ingram Hamilton, which was heard by Judge William F. Duncan several weeks ago, the petition of the plaintiff was dismissed and

## Come to the ANNUAL SPRING SALE OF CORSETS Tomorrow

NOTE—The Annual Spring Sale of Corsets is one of the store events, planned for months ahead, therefore of double importance. Manufacturers co-operate with us by running their factory during the quiet winter months on special numbers which they turn over to us, practically without profit—just to keep their factory organization intact. We in turn plan to pass on these special values to our customers in this annual sale.

In addition to the special numbers, however, we also offer many of our regular stock numbers at reduced prices. Corsets that many of our customers have been buying here for years—so you will readily see the chances for saving in this annual sale.

Modart Front Lace Corsets, Rengo Belt, Nemo, Nadia, Henderson and Empire Corsets are some of the familiar corsets on sale.

### Denies Prohibition Increases Number Of Criminal Insane

Lima, March 7.—Dr. Charles H. Clark, superintendent of the Lima State Hospital for the Insane, declared today that prohibition has not caused an increase in commitments to the institution here.

Differing with Dr. J. H. Berry of the Athens State hospital, he stated that admissions here for the last two years have been considerably lower than in the previous year (1922).

Then the commitments were 124. They numbered about 80 in 1922-23, and thus far this fiscal year they are 77, of which 50 were sent here to relieve congestion in Cleveland.

### WINONA

Joshua Hoopes and Mr. and Mrs. Richard Stamp and Lidren, who spent several weeks in Florida, returned home Thursday.

Several Winona people attended the funeral which was held at 2 p. m. at the home of Mrs. J. H. Berry on Friday afternoon at Alliance.

## Barney Google Musical Show Coming

Those who have decried that there is nothing new under the sun have evidently not bargained on the latest musical comedy triumph, "Barney Google and Spark Plug." This unique offering, which is in two acts and two scenes, will be the next attraction at Grand theater, Thursday night, March 13.

John P. Mulgrew, an author of established reputation and skill, is responsible for the book. Joseph Menolson supplied the tunes and between them they seemingly have provided an excellent and satisfactory entertainment. At any rate, this is the opinion of critics all over the country who have endorsed the production, cast and the many unusual features and surprises revealed.

Barney has political aspirations. He runs for congress and during his campaign encounters many situations and adventures calculated to disturb the peaceful community of a much stronger individual than himself. However, he manages to outwit all of his detractors in the end and like the good soul he is ready to forgive them. As might be imagined the play is founded on the world famous cartoons of the same title.

### "The Bright Shawl"

Viewing such a motion picture as Richard Barthelmess' new starring vehicle, "The Bright Shawl," which is being shown at the State theater, one instinctively recalls his previous productions for purposes of comparison.

"Toable David" was, of course, a masterpiece; "Sonny," almost its equal; "Fury," a classic among sea pictures.

But "The Bright Shawl" is a screen epic, the finest thing this talented young actor has yet given the public.

Bertha Mountz, Mrs. Cora Saffel, Mrs. Vena Mountz, Mrs. Florence Mountz and Mrs. Della Moore, spent last Friday with Mrs. Anna Whinery and helped her do her spring sewing.

## New Healing Clay Heals Kiddies' Cuts With No Smarting

Mothers who dislike to use salves and liquids to cleanse and heal cuts, smart, burn or sting or require messy bothersome bandages that get dirty and come off, were the first to try Becker's Healing Clay. Now they like it so well they recommend it to others and have caused a large sale of it through all good druggists.

Becker's Healing Clay is a natural healer made in this country of well known ingredients known to have antiseptic properties. Besides it contains one element—science has discovered possesses an unequalled property for stopping bleeding, drawing out soreness and healing rapidly, which only Becker's Healing Clay contains.

It prevents infection, and being porous allows the air to get to the sore healing it faster, easier and nicer than sticky, greasy salves that require a bandage. Guaranteed satisfaction by all good druggists.

Youngstown—A campaign of education for the eradication of cancer will be conducted by the Youngstown Exchange club. The club proposes to give out information as to how the ailment may be recognized in its earlier stages so that it may be treated before the malignant stages appear.

## SAYS KIDNEYS HURT AND NEED FLUSHING

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that irritate the kidneys and irritate the entire urinary tract. Keep your bowels clean, by flushing them with a mild, harmless salt which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving back weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this; also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache. If all means have your physician examine your kidneys at least twice a year.

### GOOD NEWS FOR AILING WOMEN

Much has been said for and against proprietary medicines by the medical profession. It will interest every woman to know that in a recent country-wide canvass of over 121,000 purchasers of Lydia E. Pinkham's Vegetable Compound as to the results received from its use the replies received showed that ninety-eight out of every one hundred women had been benefited by its use. Therefore every sick and ailing woman owes it to herself to give this remarkably successful remedy a fair trial.

### This Will Make Digestion Easy

WHAT the dyspeptic needs is not soda and charcoal and breath perfumes but a medicine that will help his bowels to move regularly, for dyspepsia and constipation are allied. If you will take Dr. Caldwell's Syrup Pepsin systematically as the directions on the package call for you will soon digest your food properly and pass it out normally, and heartburn, belching, dizziness, nervousness and bloating will vanish. In time you can dispense with all medicines as Syrup Pepsin will have exercised the intestinal and stomach muscles so they act for themselves. Mr. Lewis F. Schultz of Reasor, Ia., Mrs. Victor Knudsen of 3625 Bank St., Louisville, Ky., and hosts of others will verify this.

coated tongue, offensive breath, headaches and such ailments that indicate deranged stomach and bowels. Many serious diseases are prevented by this timely aid.

### Formula Plainly Stated

Have no hesitancy giving Dr. Caldwell's Syrup Pepsin to any one young or old. It is a mild, gentle laxative free from narcotics. It will not cramp or gripe. The formula is on the package, a compound of Egyptian senna with pepsin and simple aromatics. A bottle can be had at any drug store and averages less than a cent a dose. Economical for families and fully guaranteed. You will find it a great improvement in taste and action over castor oil or "candy cathartics" made from coal-tar that cause skin diseases, calomel that loosens the teeth, salts in water or powder that concentrate the blood and dry the skin.

### World Acclaims Success

Dr. Caldwell's Syrup Pepsin is the prescription of a well-known physician of that name who practiced successfully for 47 years. It has been on the market thirty years and is today the largest selling liquid laxative in the world. Thousands of families have it in their medicine chest ready when any members show signs of dyspepsia, constipation, torpid liver, sour stomach, biliousness.

Entire Cleveland Team To Report At Lakeland Next Monday.

Hot Springs, Ark., March 7.—The Indians worked out of their arms and legs, and were in the best of health, when they left for Lakeland, Fla., where the team is to report for spring training Monday.

### MANY MORE ARMS

Sarasota, Fla., March 7.—An epidemic of sore arms made its appearance in the camp of the New York Giants today. Catcher Frank Snyder and first baseman, Fred McKechnie, from Toledo, being the victims. They were taken to the practice game.

### BRUVES AT WORK

St. Petersburg, Fla., March 7.—The Braves underwent two hard practice sessions at their training camp here and Manager Bancroft is well pleased. Practice games will start at the end of the week.

### O'NEIL JOINS SOX

San Antonio, Texas, March 7.—Steve O'Neil, Jack Quinn and Harris have joined the Red Sox. The squad had workouts in different shifts, the rookies having first practice, followed by the veterans.

### REUTHER AT FIRST

Clearwater, Fla., March 7.—Dutch Reuther, star left hander, continued to substitute at first base in the Brooklyn Dodgers' first today in the presence of Jack Fournier, who has been granted permission to remain away from camp until March 15.

The infield development is being further retarded by the failure of Johnny Jones, Portland shortstop, to report. Jones is holding out for a cut of his purchase price, said to have been \$25,000.

### WORKS ON SUBSTITUTE

New Orleans, La., March 7.—Fred Clarke, former manager of the Pittsburgh Pirates, again lent his aid today in attempting to make a hitter out of Hickey Haines, substitute outfielder with the New York Yankees. Haines, a former football star, with Penn State, is one of the fastest men in the major leagues and a fine fielder but hasn't been able to hit big time pitching.

Miller Huggins was also putting in much time with another ex-collegian. The latter is Lou Gehrig, Columbia university first baseman, who can hit but cannot field.

### ROOKIE LEAD OFF MAN

Paso Robles, Calif., March 7.—The "Rookie" shortstop, Glen Wright will be lead off man this year for the Pirates as was shown when Skipper McKechnie chose the Kansan as first man up for the regulars in the first practice game of the season, here.

### ONE CARDINAL HOLDOUT

Bradentown, Fla., March 7.—Milton Stock, regular third baseman of the Cardinals, is the only player not signed up and in camp.

Jim Bottomly, first baseman, who has been sick at his home, arrived here yesterday.

### STOCKER ON JOB

Mobile, Ala., March 7.—Urban Stocker, the Browns pitching ace, arrived here and immediately started work. He looks underweight but says he is feeling fine. The recruit pitchers were given a long workout in fielding hits.

### WON'T PASS BABE RUTH

Hot Springs, Ark., March 7.—"Buckeye" Harris, the new manager of the Senators is nothing if not cocky. He said today that Washington pitchers this season are going to pitch to Babe Ruth whenever he comes to bat. Harris said examination of the records will show that passing Ruth to get Wally Pipp is bad business and expressed the belief that Pipp was a more dangerous man in a pinch than the Babe.

Pittsboro, March 7.—The Peebles Erick Co., plant here was completely destroyed by fire. Two hundred men were thrown out of work. Loss is estimated at \$150,000.

Salem High Girls Are Idle, Palestine Teams Play Here Saturday.

The Salem High Boys team will leave shortly before 6 p. m. tonight for Carrollton where the team representing that school, which the Red and Black defeated in the Salem gym not long ago, will be met in a feature game at 8 p. m.

Coach Richtman had a big squad to take along, with the hopes that he would not have to use his first string players any more than necessary in order that they might be in the rosy pink of condition Saturday night for the East Palestine game here.

The Girls team is idle tonight, but so that the girls will be ready for Palestine in the first game of the twin bill tomorrow night.

## Scout Executives Will Train Ohio's Casey Boy Leaders

Supreme officers of the Knights of Columbus have completed arrangements with the national executives of the Boy Scouts of America to train free all prospective Ohio Catholic boy leaders. Such is the announcement of State Deputy Kirwin of the Ohio State Council, London.

The Scout executives will provide

free an intensive course of ten lessons in every city having a Knights of Columbus council accessible to them. Free correspondence courses in boy leadership are open to inaccessible councils.

This is in furtherance of the K. C. movement to especially care for boys aged 13 to 18. The plan is to supply what may be lacking in the life of the normal boy after the three primary organizations—home, church and school—have functioned.

Henry Leady, 35 Summit st., who is grand knight of the Salem K. C., has been entrusted with the formation of the local training class.

## Gets Pleasant Surprise

"About six months ago my father was very sick with his stomach, which had been troubling him for several years. Three doctors said he had cancer and one said it was gall stones—all agreed an operation necessary, but on account of his age I was afraid to risk it. I told a friend about it who said his wife had been through same trouble and had been cured by taking Mayr's Wonderful Remedy. I at once bought a bottle for father and he is now as strong as a bear and can eat more ham and cabbage than any three men." It removes the catarrh of mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at all druggists.

The committee consisted of H. B. Hazzard, G. R. Floyd and Robert Holman.

## School, Brick Plant Are Razed By Fire

Ironton, March 7.—Whitwell school building, a \$100,000 structure, burned all day Thursday, following a mysterious explosion Wednesday night in the boiler rooms. The blaze consumed the entire left wing of the brick and stone structure with a loss estimated at \$50,000.

Six firemen were overcome by smoke and gas fumes and had to be removed to a hospital. The fire has deprived 300 pupils of school facilities.

## 99.9 Per Cent Efficient

Constant vigilance goes hand in hand with safety on the Pennsylvania Railroad. Thousands of tests are made every month to insure the observance of signals and operating rules by the men in charge of trains. During the last half of 1923, 493,000 such tests were made.

Some of the situations covered by these tests are the observance of "stop" and "caution" signals, the proper display of signals, the observance of speed regulations and the proper flagging of trains. This system has been in effect on the Pennsylvania Railroad for many years. It is designed to cover not only every conceivable development in ordinary operating conditions but also surprise situations not usually encountered.

It is a splendid tribute to the efficiency and the high morale of Pennsylvania employees—and a source also of profound satisfaction to the traveling public—that the results of these tests show that the number of "failures" is relatively insignificant—the record over a long period of months showing a 99.9 per cent performance.

# High-Egg Production Imperiled By Disease

With the stress on egg production in the past few years, Ohio poultrymen now face the need to stress just as thoroughly the preventing of disease.

"Too little attention has been paid to stopping the spread of poultry diseases," further says Dr. Leonard W. Goss, professor of veterinary pathology at the Ohio State university. "It seems necessary for poultry people to have serious trouble with these diseases before they decide to 'lock the door.'"

"With the constant improvement in poultry flocks, there has come added opportunity for the introduction of more disease. It is more than ever necessary to avoid the transmission of infection to uninfected flocks."

"Early diagnosis is of the utmost importance. Diseases causing the greatest losses now are: White diarrhea of chicks, coccidiosis, cholera, roup, tuberculosis, and parasitism. White diarrhea of little chicks is responsible for the loss of as high as 80 per cent of the chicks which come from heavily infected flocks."

"Since this disease is carried over in the eggs, it is necessary to eliminate the hens which are laying infected eggs. The blood test indicates the disease carriers. As for roup, which is widely prevalent in Ohio, control must come through sanitation, ventilation and careful feeding. Tuberculosis, which not only kills chickens but may spread to other animals, calls for the tuberculin test and eradication."

**Study of Vegetables**  
"We row in this country over 60 vegetables on a commercial scale. During the past 25 years studies have been made on only four of them."

Such a statement shows that Ohio vegetable growers, in common with growers in other states, need scientific research in their production and marketing problems even more than other food producers. So says H. C. Thompson, professor of vegetable gardening at the New York State College of Agriculture.

"If the vegetable grower has not had his share in the research and experimental work performed in the past 50 years," he continues, "he has no one to blame but himself. Public institutions usually spend the money on those things for which there is the most demand, and we, as vegetable growers, have not made our wants known."

"Every practice should be studied thoroughly in the light of present knowledge. Some of our oldest and most common practices have been shown to be wrong when subjected to careful and thorough test."

"Although research in vegetable gardening has only begun, it has already profoundly affected growing practices. Intelligent growers no longer buy fertilizers on the basis of the price per ton, but rather on the

price of the fertilizing ingredients in that ton. They buy for specific crops and soils, rather than for vegetables in general."

"So have come about changes in the use of manure, in the use of varieties and strains tested and found good by the experimenters, and in cultivation, storage and marketing."

**Bug Damages Peaches**  
Peach growers of Ohio, after their experience last year, are turning their attention more than ever before to the control of the green soldier bug. From New Paris, Wooster, Willoughby, Lindsey, Wooster, Keokuk's Island, Lorain, Vermilion, Waterbury, and Catawba Island have come reports of serious damage to the 1923 peach and cherry crop, according to H. A. Gossard, entomologist at the Ohio Experiment station, Wooster. Prevalence of the green soldier bug, he continues, was the outstanding feature of the 1923 season, so far as horticultural entomologists were concerned. This bug had not been prominent in Ohio since 1911.

Dover—Roland B. Shearer, 28, was killed instantly when he was struck by an N. O. T. Limited interurban car a short distance north of Dover, while helping to put a machine back on the road which had plunged into a ditch.

## Don't let constipation make you an invalid —relieve it with Kellogg's Bran

Few people realize how dangerous is constipation until this dread disease tears down their health. Did you know that more than forty serious diseases can be traced to constipation?

Keep your health, or restore it, with Kellogg's Bran, cooked and krumbled. It brings relief in mild and chronic cases of constipation. It is effective because it is ALL bran. That is why it is recommended so highly by doctors. They know that only ALL bran can bring 100 per cent results. Part bran is, at best, only a halfway measure.

If eaten regularly, Kellogg's Bran will bring permanent relief—even in the most chronic case. It is guaranteed to do so. If it fails, your grocer will return your money.

Because it is ALL bran it sweeps, cleans and purifies the intestine. Like nature, it acts naturally. It makes the intestine function regularly.

Eat it every day—two tablespoonfuls—in chronic cases, with every meal. Eat it with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. Enjoy it in those wonderful recipes given on every package.

The flavor of Kellogg's Bran, cooked and krumbled, is delicious. It is crisp, nut-like. Quite different from ordinary bran, which are so unpalatable. Kellogg's Bran is made in Battle Creek and served by the leading hotels and clubs everywhere. Sold by all grocers.

## "What it Costs to Run Our Business"

## A Monopoly That Benefits The Multitude

Every town needs good public utilities, but one set of them is sufficient. Competition doesn't always lower prices and it does cause complications.

Suppose we have two sets of electric power lines running through this community—double poles or cables all along the line. Suppose a man had to pay for double wiring in his house in order to get light and electricity for cooking.

Suppose the streets were torn up with twin sets of gas mains and two street car companies were trying to operate on the same thoroughfare.

It's an economic loss to have competitive public utilities. Neither company can render 100% service and both will lose money.

Let the city fathers run the city and those who have made it their life-long business continue to operate the public utilities.
